

# NL CONSULTANTS

EMPLOYMENT AND EDUCATIONAL CONSULTANTS

## VISION, MISSION

### **Our Vision**

To become a competent Consulting firm in Tanzania and to the World.

### **Our Mission**

To deliver high-quality digital work in consultation through innovation and the use of information and communication technologies

### **Our Objectives**

To work with Institutions in Developing strategies for Job Seekers

To Provide Research Trainings and Education to Scholars

To provide awareness on the use of Information

Technology for success

## EMPLOYMENT SERVICES

### **SEMI-RECRUITMENT**

Creating portals for recruitment, Accepting Job Applications, sorting according to Employers Guideline and Terms and providing Shortlisted Candidates to Employer.

### **JOB LISTING AND APPLICATIONS**

We have official website of Newslinetz.com where different people/organizations/institutions can post their opening opportunities.

Job seekers have chance to find opportunities in our website and apply via our website or direct to the employer.

## EDUCATION CONSULTANCY

### **SCHOOLS AND UNIVERSITIES**

We have developed portal where for different institutions to post their education information.

### **APPLICATIONS**

Graduates will find diversity of information and opportunities to apply for such as Admissions, Scholarships/Fellowships... etc

## RESEARCH CONSULTATION

NL have research experts who will guide you in completing your writing. Specialized in Dissertations/Thesis, Articles and Papers, Qualitative and Quantitative research, Data collection, Data analysis and interpretation, Editing and proofreading
